

Exchange program- "Vellezerit Frasheri" Gymnasium- FMS "Neufeld"

For me, it was the greatest experience in my whole life.

To see the culture, the food, the traditions, of another country, especially Switzerland's is very exciting.

It was the best week ever!

I met a lot of people, I saw their personality which is way too different from ours.

The best part of our trip in Switzerland was,

exploring the antic city of Bern, which is one of the best cities in Switzerland.

Everything was very good, the people, their respect, their way of talking about their country is very nice.

I just hope to see all of the people I met this year in Switzerland.

Thank you for everything!

Sincerely, B. P.
